Thank you for considering Ohr Torah Cincinnati!

What is Gained through an Ohr Torah Education?

The Ohr Torah approach to Chinuch is wholesome, dynamic, enriching and nurturing. It is a great fit for many children. Our program provides students with a joyful, positive school atmosphere and a strong sense of community. We follow closely to the words of Chazal: “Chanoch l’naar al pi darko” (educate a child according to his way). We work diligently to tap in to each child’s gifts, intelligences and leadership abilities. We strive to truly understand each child’s most effective learning methods and focus on strengthening all areas of their development. We continuously challenge students so that they internalize the messages that the greatest reward for overcoming a challenge is the opportunity to overcome the next challenge, and that incredible things can be accomplished when working together. In doing this, our students are actively building their positive leadership skills and their spiritual connection with Hakadosh Baruch. At OTC students are on a path of continuously developing their personal greatness, and developing the power of community!

OTC is thrilled to be providing the following opportunities for the 2020-2021 school year:

- **Toddler Gan** - for children who are 21 months to 3 years, including children who are not yet potty trained.
- **Pre-Primary Program** - for children from three years old through Kindergarten. All children entering the Pre-Primary program must be fully toilet-trained to enter this program.
- **Lower Elementary Program** - for children ages 6-9 (grades 1-3).
- **Upper Elementary Program** - for children ages 9-12 (grades 4-6).
- **Middle School Program** - for children entering seventh grade.

Come See our Beautiful New Building & Grounds!

We encourage parents to see our students “in-action.” Via a personalized tour, which occurs entirely within our classrooms, we are able to facilitate your understanding of the goals we seek to achieve for our students and how we go about accomplishing these goals. OTC Admissions Process

Step 1: Bring your Children to Experience a Classroom!

For children 3 years old and above, we will schedule a date for your child to spend time in an Ohr Torah classroom and meet briefly one-on-one with an educator. This visit gives the child an opportunity to be captivated by the overall positive atmosphere and by the hands-on classroom learning materials. The visit also provides the teachers with an opportunity to begin learning about your child.

Step 2: You'll Hear from Us

Shortly after your child's visit, we will notify you about your child's acceptance to OTC.

Step 3: Time to Enroll

Upon your child(ren) being accepted to OTC, we will provide you with a Commitment to Enroll form. This includes a \$500 non-refundable enrollment fee that is applied to your child's tuition. **This fee is discounted to \$350 if you submit the Commitment to Enroll within a week of your child's acceptance.**

Step 4: Time to Sign your Tuition Contract

The tuition and fee schedule is attached for you to review. You will receive your tuition contract by early March, which includes total tuition and fees.

Step 5: Time to Submit your EdChoice Application

Once a student is enrolled, we will assist you with your EdChoice application using the secure online application system. To do so, parents will need to provide us with a copy of the student's birth certificate, proof of current address, and the Scholarship Request Form.

Step 6: Applying for Financial Aid

Ohr Torah Cincinnati offers limited financial aid administered through the FACTS Tuition Program.

Please let us know if you have any questions. We look forward to hearing from you!
